Chance may not have a world Welterweight Champion Gets Chance at Middleweight Title. Zeke Smith Tackles Cole.

Joe Turner and Fritz Hansen, wetclub, if the fans in New York will give him the opportunity. It is literally a team of youngsters, and they play with grim determination that brings the conclusion that they have got to be whipped good and plenty before they will quit.

Joe Turner and Fritz Hansen, wetterweight champion of the world, will meet in a finish match at the Academy of Musle on April 2. Hansen has outgrown the welterweight division, and now wants a chance at the middle weight title. He has been after Turner for weeks to give him a match, and the middleweight champion has consented. Hansen comes to Richmond under the biggest guarantee ever of fered to a wrestler, not excluding Dr. fered to a wrestler, not excluding Dr. Roller, to appear here. He demanded this guarantee because he realized that he was meeting the best man at his weight in the world when he meets Turner, and since it is to be a champlouship bout he wanted to protect his

into the Far West the fans think that Hansen is unheatable. It will be his first appearance in the South, but if the press reports are correct, he will be a big favorite after his match with Turner. The champion is not worrying any over the match. He feels that he is good enough to defeat any man in the world at his weight, and while he has a proper appreciation of Hansen's ability, he does not believe that the New Englander has grown quite enough he can to wrest Turner's laurels from

Lads From Trolley-Dodging City Expect to Win Washington and Lee Meet.

Lexington, Va., March 28.-Brooklyn Lexington, Va., March 28.—Brooklyn Poly Prep, which last year won the point trophy in Washington and Lee's interscholastic track and field meet, means to make a beld bid to again carry off the honors in the 1914 games, which are to be held here, on Wilson Field, on Saturday, April 25, according to word received by Dr. John W. H. Pollaid, faculty director of athletics. The Brooklyn boys, who have been sweeping overything before them in meets in their home city, will be repmeets in their home city, will be represented at the Generals' games by Captain Bernard L. Spence, Francois Du Tremblay and Tyrrel. Spence and Du Tremblay and Tyrrel. Spence and Du Tremblay were point winners here last year. Tyrrel, a newcomer to Wilson Field, will enter in the sprints, the high jump and the pole vault. His time for 199 yards is close to 10 2-5 seconds, in the running high jump he cleared five feet eight inches in a meet in Stamford, Conn. this year, and in the pole vault he should do close to ten feet. Du Tremblay won the pole vault last year with a record of ten feet three inches, and the Brooklynites send word that they expect him to make a record close to eleven feet next month.

Captain Spence is going in for the 126-vard hurdles, 229-yard hurdles, high jump, shot put, discus throw and high jump, shot put, discus throw and broad jump. His record with the

twelve-pound shot this year is forty-six feet, or two feet eight and one-half inches better than the high mark to win from him. Obviously Hansen thinks differently, and will try the best the 1913 meet. Entries are pouring in for the games, which promise to be much more successful than last year—and then they were by no means a failure. the recent entrants are the high schools of Knoxville, Tenn., and Martinsburg, W. Va., and Mercersburg Academy, of

### PETERSBURG FANS ALL WELL PLEASED

Petersburg, Va., March 28.—The fans are very well pleased with the showing that Busch is making with the men who are now practicing for positions with Petersburg, but as yet it is hard to decide who will compose the team when the season opens in Richmond on April 16. Craven, Laval and Keller look like certainties for the outfield. Damrau will cover third, and Barnett and Yoos are contesting for the initial bag. Jackel is showing up in great style for second base, with Lecluir a close second. Both Lowe and Howell are good catchers, and Busch has eight pitchers to make his selection from.

The Virginia Union University Athletic Association has just completed arrangements with Bobbie Winston, capital of the Leland Chicago Glants, as baseball coach for this season. Winston began his duties last Monday, and will be with the local team until his work begins in Chicago. Each practice under the supervision of the new coach has been characterized by marked enthusiasm on the part of the players. At least forty men are out trying for positions. Judging from their attendance on the field the baseball management may expect excellent support from the student body and the public fandom this season. When the initial game of the home series takes place on Easter Monday with Hampton Institute, Coach Winston expects to have his players in good shape.

Secretary R. G.
